

THE SCHOLASTIC

School Sports Day!

What a fantastic day the children had this 18th February at the Model Town White's Cricket Club for their Sports Day. How lucky we were with the weather too! The junior and senior school children were able to compete with great skill and determination in the games of Badminton (Single & Double), Cricket, and Football.

All the children tried their best and there were some outstanding performances from all age groups. It was wonderful to see the children being competitive and determined but also showing great encouragement and sportsmanship towards each other throughout the afternoon.

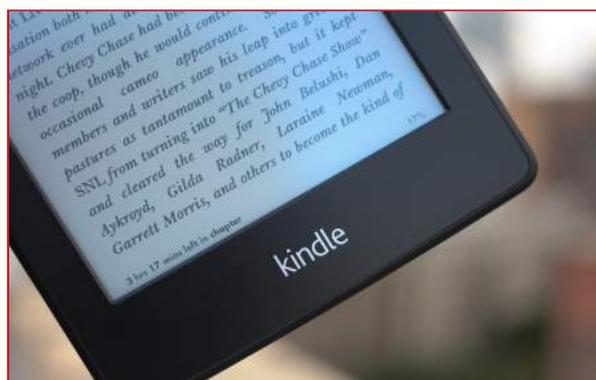

It was also fantastic to see so many parents supporting the children in all the different activities. Congratulations to the following students for their achievements:

A Note From the Principal

Scholastic Islamiah has taken the innovative initiative of introducing the Kindle Library Reading Sessions program as part of its regular curriculum. Students are each given a Kindle and a book is chosen. Every student gets a chance to read a few pages, and then all the students get together to discuss the underlying essence and meaning of the story, a study of the characters, and a critical analysis of the text.

Farewell Ceremony for Outgoing Class of 2017

A fond farewell for the graduating batch of 2017 was organized in Scholastic Islamiah. After the opening recitation, the whole evening was filled with a lot of fun in the form of several witty and fun games, such as dumb charades, tug-of-war between students, and then between the outgoing students and teachers, and knock-the-bottles. The event was also blessed by a bayan from our very own Mufti Himayatullah, as well as a farewell message by our honorable Principal Mr. Tausif Hassan. Fond memories and anecdotes were shared by teachers, which brought back the student's beautiful days in class. The students were presented with graduation souvenirs in the form of plaques, especially designed for their batch.

Students who have completed Hifz recently

Alhamdulillah the following students have achieved a great success, showing outstanding consistency and exceptional perseverance in completing their hifz at such a young age. Scholastic Islamiah wishes them the best of luck in this life and the life to come!
